RESPONSE TO OFFICE ACTION

Dear Sir:

In response to the May 15, 2002 Office Action and in the matter of the above-identified case, Applicants respectfully submit the following.

In the Claims:

Please cancel claims 6 - 10.

Please amend claim 1.

1. (Twice Amended) A method of eliminating the onset of diabetes in a human patient, comprising the step of orally administering to the patient an effective amount of a 1 $\alpha$ -hydroxy vitamin D compound such that the onset of diabetes or diabetes symptoms is eliminated.
